ABOUT US

We are a group of young people from the Marche region that grew up surrounded by picturesque countryside and Medieval towns loving our land dearly.

Out of this wonderful experience we decided to form together a joint venture and created Tu.Ris.Marche. A way to make friends with people from around the world and have them experience and discover how surprisingly beautiful, friendly and authentic this land of ours is.

“ The Marche Region is highly diversified in culture and activities. In a few kilometers you can be in the majestic Sibillini Mountains or on the turquoise beaches of Monte Conero. Everything in between is picturesque hills, valleys and magical medieval villages waiting to be discovered. You can be assured that the magic of Marche will remain in your memories forever. ”

PHILOSOPHY OUR WORK

Our goal is to provide our visitors a strong emotional experience through the close contact with our traditional rural realities.

Our activities are carried out with the support of carefully selected partners which with their professional calling ensure our guests a high emotional experience. Whether they are producers of wine, oil, cheese or truffle they are always lovers of their land and enthusiastically share their passion of their daily work. They will show you the processes and transformation of their culture and as they have always succeeded to live out their emotions and share this with our guests.

WHY US?

- We understand the needs of our guests and we know how to meet their expectations. We have years of experience in hospitality and tours ·
 - We offer personalised activities for groups, families and children ·
 - We have a great selection of tours ·
 - We enjoy our profession ·
 - We verify the standards of our partners consistently to ensure you have a pleasant and memorable experience ·
 - The prices that we offer are competitive and advantageous in our territory ·
 - We are always available ·
 - We guarantee professionalism and honesty ·
- For emergencies, you can call us on our phone 24/ 7 , even when we are doing a Sunday lunch with the family ·
- We respect your privacy and we will never share personal information with third parties.
 - We love getting feedback from our friends. This is the only way to improve so that the experiences we offer are the best experiences for those that visit our beautiful region.
- Feel free to check our reviews on TripAdvisor® and Facebook® to see what others are saying.
 - 5 Star reviews and memorable experiences are our passion.
 - This is the most important thing that we aspire to ·

*** Weather Permitting ***

Grape Stomping

The historical reenactment of the grape harvest and the tradition of cooked wine.

With grapes just picked from the vineyard, are poured into the tub for traditional and time honored grape stomping. The experience is washing your feet in a water basin of flower petals, then into the tub to stomp the grapes while local folk music is played live. Then the stomped grapes are poured into a copper boiler and placed in a traditional oven, and the cooking begins. The grape stomping experience is accompanied by short explanations about the story of this wine-making tradition and about the ancient history of cooked wine.

During the long boiling, the banquet takes place, where the guests can taste food cooked with ancient local recipes people used to eat during the harvesting. After the banquet, the folk dancers start, especially the "saltarello Marchigiano" and the guests will be able to learn this dance, and join in the fun with the dancers.

Meeting point: Tu.Ris/Marche office
(Possible) Return transfer to the Frasassi Caves

- Tourist trail or Speleo-Adventure itinerary with certified and experienced english speaking guides in complete safety

Tour Time: 6 hours

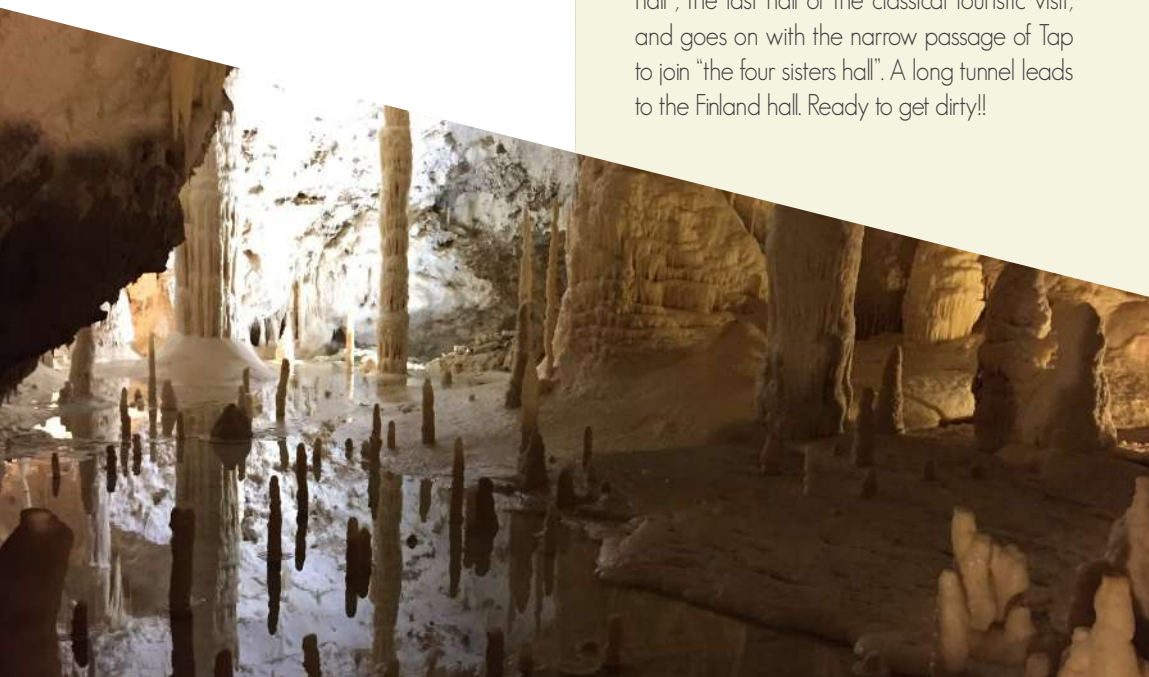

Notes: Suitable for adults and children

The Frasassi Caves

The Frasassi Caves, Discovered by a group of Ancona speleologists in 1971, are a remarkable karst cave system in the municipality of Genga, Italy, in the province of Ancona, Marche. They are among the most famous show caves in Italy. Rich in water, the cave system is particularly well endowed with stalactites and stalagmites. Live the unique experience of the Frasassi's caves, choose between two different kind of visit

• **Tourist trail:** A walk of about 1 hour and 15 minutes accessible to everybody at a temperature of 14 degrees constant all the year round. We recommend to use comfortable shoes and a sweatshirt during the summer months.

• **Speleo-Adventure:** The following suggested journey is suitable to everyone because there are not so many difficulties to face and it represents the first step to enter in the speleological world. The visit includes brief climbings, drifts, narrow passages and slides. The itinerary begins from the "neverending hall", the last hall of the classical touristic visit, and goes on with the narrow passage of Tap to join "the four sisters hall". A long tunnel leads to the Finland hall. Ready to get dirty!!

Meeting point: Tu.Ris.Marche office
(Possible) Return transfer the Sibillini areas

• Start the tour, guided by a certified staff

Tour Time: 3-6 hours

Hiking in the Sibillini National Park

The Park territory offers several and various opportunities to those people who want to discover its treasures in the four seasons on foot. The historical itineraries lead us to the medieval corners of the villages scattered at the foot of the Sibillini, while pleasant walks reveal to us the mosaic of the rural and shepherds' life.

Discover Mount Sibilla, from which the whole mountain range takes its name. In spite of the many man-made scars it is one of the most enchanting places, with its fascinating history and myths and legends. A Queen of the underground world hid in a cave on the summit and valient knights and eminent scholars once walked the old trails here. Even today, Mount Sibilla is a fascinating place to visit as she continues to work her magic.
